FORM-4
(See sub clause 1(c), 2(a) and 3(a) of regulation 6) of CCIM
No Objection Certificate
Government of Uttarakhand
Ayush Avam Ayush Shiksha Section, Dehradun

No : 62

Dated : 09 ^{correct} October, 2017 ~~2016~~

To,

The Secretary,
Ministry of AYUSH,
AYUSH Bhawan, B Block,
GPO Complex, INA,
New Delhi- 110023

Subject : No Objection Certificate.

Sir,

The desired response in respect of the following points is as follows:-

1	Number of Medical and Ayurved or Siddha or Unani Tibb institutions already existing in the State.	02 Ayurvedic colleges in Govt. sector. 04 Ayurvedic colleges in Private sector.
2	Number of seats available or number of Medical and Ayurved or Siddha or Unani Tibb practitioners being produced annually.	330
3	Number of Ayurved or Siddha or Unani Tibb practitioners registered with the State Council/Board of Indian Systems of Medicine.	Ayurvedic-3081 Unani- 150
4	Number of Ayurved or Siddha or Unani Tibb practitioners in State Government Service.	960
5	Number of vacant Government posts of Ayurved or Siddha or Unani Tibb doctors in the State, particularly in rural/difficult areas.	117
6	Number of Ayurved or Siddha or Unani Tibb doctors registered with the State Employment Exchanges.	N.A. as their registration in employment exchange is not mandatory.
7	Ayurved or Siddha or Unani Tibb Doctors-population ratio in the State.	Approx. one such doctor for 3273 persons.
8	How the establishment of the medical College/increase in admission capacity/starting BAMS course would resolve the problem of deficiencies of qualified medical personnel in the State and improve the availability of such medical manpower in the State.	There is no deficiency of Ayurvedic Doctors in the state. If this college is given permission to conduct the courses, the pass out doctors will have to seek self employment for themselves.

B

9	The restrictions imposed by the State Government, if any, on students who are not domiciled in the State from obtaining admissions in the State be specified.	Minimum 50% of the students should be domicile of the state.
10	Full justification for opening of the proposed medical College/increase in admission capacity/starting new or higher course.	In future the state may develop as health/wellness tourism destination. In such scenario there will be reasonable scope of employment for Ayurvedic Doctors.
11	Ayurved or Siddha or Unani Tibb Doctors-population ratio to be achieved.	The present ratio is already satisfactory as has been mentioned in reply against point 7.

The **Uttarakhand Uthan Samiti (Regd.), 32/4, E.C. Road, Dehradun** has applied for establishment of Ayurved college at **Dehradun**. On careful consideration of the proposal, the Government of Uttarakhand have no objection for establishment of an Ayurvedic College with 100 seats for **BAMS** Course (Academic Year **2017-18**) on the terms and conditions described in the above response.

It is certified that : -

- (a) the applicant owns and manages a 100-bedded hospital, which was established in the academic session year 2015-16.
- (b) An Ayurved College may be established if there is no express or implied obligation cast on the State Government .
- (c) Establishment of Ayurved College by the **Dev Bhoomi Medical College of Ayurveda & Hospital, Navgaon, Dehradun** is feasible.

Adequate clinical material as per norms of the Central Council of Indian Medicine is available with the existing Medical College, as per the report of visitation committee of the Uttarakhand Ayurved University.

Yours faithfully,

(Dr. Bhupinder Karu Aulakh)
Secretary,
Ayush Avam Ayush Shiksha Section
Government of Uttarakhand
